#### PU Foam Spray Gun

Professional high quality foam guns, designed for use with standard 500/750ml gun grade Polyurethane pressurised expanding foam canisters.

Designed for the application of single component polyurethane foam. A sprung trigger and flow adjuster knob enable the user to control the foam flow to give a clean, even bead with reduced waste. The barrel is hermetically of the product when left in the gun. A non-stick coated needle, flow adjusting valve and a stainless steel barrel help make cleaning the gun easier. It is supplied complete with 2 long plastic and 2 short plastic narrow access barrels to give better access when used in certain applications.

## FAQ

Question(Q): What is the MOQ for each product?

Answer(A): for retail, we can do any quantity for you and they will be sent by express. For wholesale, the MOQ usually is 500pcs. You can also mix different items and we can ship them by sea together. For details pls contact us by email or online talking.

Q: What is the lead time and shipping time?

A: goods usually takes about 30 days to finish. It will take about 15 to 35 days on the sea from shipping port to destination port. For South Asia and Oceania, it usually takes about 15days. For other regions, it usually takes about 25 to 35 days. The shipping time is changing with the distance and the shipping company we choose.

Q: Can the products be made with our logo or brand?

A: Yes of course we can make. We are OEM supplier for years and professional to make. But you need to give us the authorization if it is necessary..

Q: What can we do if we are interested in your products?

A: Pls send us your precious inquiry on our website or talk directly with us by trade manager. Sometimes it will be more efficient for you to talk with us online. We can know each other and the products you want more clearly by talking.

Q: How do we place the order?

A: after we confirm everything necessary for the order, including detailed products you want, prices, payment terms, packing ways and other details, we will sign the contract. Usually we will send you the PI (proforma invoice) for advance payment first. Then we will arrange the production. After the goods are ready we will contact with you for shipping.

Q: How do i know the products' quality and the packing ways are the ones we required?

A: Each product will be tested before sending out. We will send you photos for the goods to confirm again the packing ways.

Q: How do we make the payment?

A: we usually accept the payment by T/T, west union and other payment ways. We will confirm this when we conclude the order.

Any questions pls feel free to tell us. We will negotiate everything well for our mutual benefit.
