Product Description

Product Description

Professional PU Expanding Dispensing Spray Foam Gun With Valve Upgrade PTFE Pro Hand Foam Caulking Gun

- * **[Cost Saving]** This upgraded foam gun adds a valve, which is truly no-clean. After use, just rotate the valve and push out remaining foam, no need to buy extra dispensing gun cleaner.
- * **[Necessary Tool For Decoration]** This Foam Dispensing Gun is ideal for handling hole, gap filling and insulating. Widely used to seal doors and windows, bathtubs, cabinets and fill walls and floors.
- * **[Meticulous Design]** The handle is made of ergonomic ABS plastic, gripping power, feel comfortable, avoid soreness. Foam gun is coated with PTFE (polytetrafluoroethylene), not easy to stain, and it is durable.
- * **[Adjustable Use]** Control knob can adjust the amount of glue to reduce foam waste. Copper nozzle is smooth, resistant to corrosion and not easily blocked. Can be used with plastic tips to make it reach small gaps smoothly.
- * **[Quick Match]** This hand foam caulking gun is compatible with most foam sealant tanks with screws (except Great Stuff Pro). The top water inlet valve, precision thread lock the can, convenient and fast.

Specifications:

- * Material: Aluminum Alloy + Copper + PTFE
- * The maximum output pressure: 8 MPa
- * The maximum injection flow rate: 5 L/min
- * Spray width: 3 mm
- * Length: 13 inches

FAQ

- Question(Q): What is the MOQ for each product?
- Answer(A): For retail, we can do any quantity for you and they will be sent by express. For wholesale, the MOQ usually is 500pcs. You can also mix different items and we can ship them to you by sea altogether. For details pls contact us by email or online chatting.
- Q: What is the lead time and shipping time?
- A: Goods usually take about 30 days to finish. It will take about 15 to 35 days on the sea from shipping port to destination port. For South Asia and Oceania, it usually takes about 15days. For other regions, it usually takes about 25 to 35 days. The shipping time is changing with the distance and the shipping company we choose.

· Q: Can the products be made with our logo or brand?

· A: Yes, of course we can make. We are OEM supplier for years and able to customize your logo and packaging, but you need to give us the authorization and design.

· Q: What can we do if we are interested in your products?

· A: Pls send us your precious inquiry on our website or talk directly to us by trade manager. Sometimes it will be more efficient if you talk with us online. We can know each other and the products you want more clearly by talking online.

· Q: How can we place the order?

· A: after we confirm everything necessary for the order,including detailed products you want,prices,payment terms, packing ways and other details, we will draft the contract. Usually we will send to you the PI(proforma invoice) for advance payment first. Then we will arrange the production. After the goods are ready we will contact you for shipping.

· Q: How do I know the products' quality and the packing ways are the ones we required?

· A: Each product will be tested before sending out. We will send you photos of the goods for you to confirm.

· Q: How do we make the payment?

· A: We usually accept the payment by T/T, west union and other payment ways. We will confirm this when we conclude the order.

Any questions, pls feel free to contact us. We will negotiate everything well for our mutual benefit.
