## Product Description

### Product Description

#### 4pcs Blue Silicone Spatulas and 1pc Black Stainless Steelhead Glass Glue Angle Scraper

\* Unique tool set: all components such as the joint scraper with angle blade made of stainless steel, the special scraper with extremely sharp blade, the plastic spatula, ensure that you get the work from start to finish. Perfect for working in sanitary, kitchen or floor areas such as tiles.

\* Safe use: the ergonomic and rubberised handle of the grout knife provides optimal grip and ensures safe use. Also our special scraper is equipped with a blade guard, so that it can be safely stored after work.

\* Long lasting count on the outside – silicone joints are often maintenance joints and should be renewed regularly. With our set you benefit from the included replacement blades for the grout knife and the special scraper from a longer service life and enjoy the product for longer. The silicone remover tool set can be conveniently stored in the cardboard packaging. By purchasing this way, you can protect not only your home, but also the environment.

\* Effective with practice: all included parts have been tested by craftsmen to ensure a really good and safe applicability of the individual tools. With the help of feedback from these tests, we have developed a unique set that stands for high functionality, safety and results like a professional. In addition, the silicone removal set has been tested by an independent testing institute for safety and harmful substances.

\* Safe and secure – we do not leave you alone. Through our instructions and our guide for creating perfect silicone joints, we promote safe and correct application of the tools and promise you successful results. In addition, our service team is available with advice and advice. Write or call us!

## FAQ

- Question(Q): What is the MOQ for each product?
- Answer(A): For retail, we can do any quantity for you and they will be sent by express. For wholesale, the MOQ usually is 500pcs. You can also mix different items and we can ship them to you by sea altogether. For details pls contact us by email or online chatting.
- Q: What is the lead time and shipping time?
- A: Goods usually take about 30 days to finish. It will take about 15 to 35 days on the sea from shipping port to destination port. For South Asia and Oceania, it usually takes about 15days. For other regions, it usually takes about 25 to 35 days. The shipping time is changing with the distance and the shipping company we choose.
- Q: Can the products be made with our logo or brand?
- A: Yes, of course we can make. We are OEM supplier for years and able to customize your logo and packaging, but you need to give us the authorization and design.
- Q: What can we do if we are interested in your products?
- A: Pls send us your precious inquiry on our website or talk directly to us by trade manager. Sometimes it will be more efficient if you talk with us online. We can know each other and the products you want more clearly by talking online.

- Q: How can we place the order?
  - A: after we confirm everything necessary for the order,including detailed products you want,prices,payment terms, packing ways and other details, we will draft the contract. Usually we will send to you the PI(proforma invoice) for advance payment first. Then we will arrange the production. After the goods are ready we will contact you for shipping.
  - Q: How do I know the products' quality and the packing ways are the ones we required?
  - A: Each product will be tested before sending out. We will send you photos of the goods for you to confirm.
  - Q: How do we make the payment?
  - A: We usually accept the payment by T/T, west union and other payment ways. We will confirm this when we conclude the order.
- Any questions, pls feel free to contact us. We will negotiate everything well for our mutual benefit.
