Product Description

New Design Blue Silicone Joint Filler Scraper

* Use of sealant finishing tools: caulking tools for most types of sealants, For smooth sealing lines and fill lines, such as floor silicone sealants, silicones, acrylics, resins, etc. In the home it is usually used for sealing operations in bathrooms, kitchens, floors and doors and windows.

* Multi-application design of sealant tools: You may encounter many complex angles during the sealing process, and our caulking tools offer many different edges. Different places and angles have corresponding edges for reference. It can meet your more complete sealing needs.

* Sealant finishing tool material: Our products are made of silica gel, which is comfortable to handle and not easy to deform. The caulking tool is blue, durable and can be cleaned with a damp cloth.

* Advantages: Our sealant tools can smooth seal lines and seam lines, save sealant and eliminate the need for masking tape, saving you time and money.

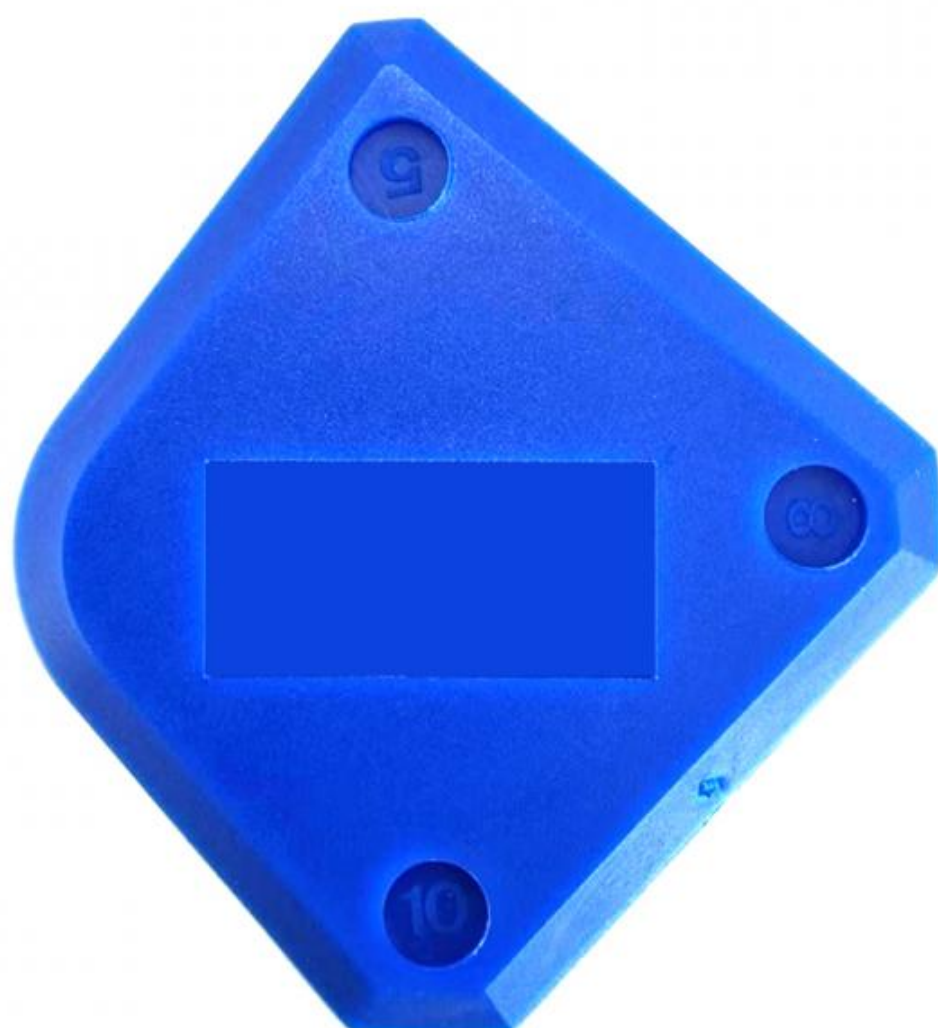

* Hint: We are very confident in our products. If you are not satisfied after purchasing, you can contact us, we will try our best to solve the problem for you and give you a beautiful experience.

FAQ

- Question(Q): What is the MOQ for each product?
- Answer(A): For retail, we can do any quantity for you and they will be sent by express. For wholesale, the MOQ usually is 500pcs. You can also mix different items and we can ship them to you by sea altogether. For details pls contact us by email or online chatting.
- Q: What is the lead time and shipping time?
- A: Goods usually take about 30 days to finish. It will take about 15 to 35 days on the sea from shipping port to destination port. For South Asia and Oceania, it usually takes about 15days. For other regions, it usually takes about 25 to 35 days. The shipping time is changing with the distance and the shipping company we choose.
- Q: Can the products be made with our logo or brand?
- A: Yes, of course we can make. We are OEM supplier for years and able to customize your logo and packaging, but you need to give us the authorization and design.
- Q: What can we do if we are interested in your products?
- A: Pls send us your precious inquiry on our website or talk directly to us by trade manager. Sometimes it will be more efficient if you talk with us online. We can know each other and the products you want more clearly by talking online.

- Q: How can we place the order?
 - A: after we confirm everything necessary for the order,including detailed products you want, prices, payment terms, packing ways and other details, we will draft the contract. Usually we will send to you the PI(proforma invoice) for advance payment first. Then we will arrange the production. After the goods are ready we will contact you for shipping.
 - Q: How do I know the products' quality and the packing ways are the ones we required?
 - A: Each product will be tested before sending out. We will send you photos of the goods for you to confirm.
 - Q: How do we make the payment?
 - A: We usually accept the payment by T/T, west union and other payment ways. We will confirm this when we conclude the order.
- Any questions, pls feel free to contact us. We will negotiate everything well for our mutual benefit.
