## Product Description

### Product Description

#### Easy to Use Recycle 16oz Foot Type Can Crusher Foot Operated Bottle Crusher

This heavy-duty can crusher crushes the toughest of all household tin cans, as well as plastic bottles. Compacts your recycling by over 50%. Folds and locks flat for easy storage after use. Adjustable can piercer for tough cans and plastic bottles.

Heavy duty design crushes the toughest of all household tin cans

Use to crush cans and plastic bottles

Compact your recycling by over 50%

Made from coated steel

Stores flat after use

Don't throw it....crush it with this Eco Can Crusher from Eddingtons. Perfect for recycling cans and plastic bottles. Heavy duty design crushes the toughest of all household tin cans. Compact your recycling by over 50%. Made from coated steel. Stores flat after use. Measures 12cm wide, 37.5cm long, 4.5cm high (when flat).

#### Boxed Foot Can Crusher Operations:

1. Place can crusher on flat surface away from obstructions.
2. Release side slip(A) to allow of can crusher to open.
3. Place can or plastic bottle flat along the grip area(B).
4. Apply pressure to the crusher slowly at first.
5. The adjustable pin(C) will help prevent the can or bottle from slipping.
6. Press down the crusher firmly with your foot to crush the can or bottle.
7. Adjust pin(C) clockwise to reduce any slippage.
8. Turn pin(C) anticlockwise for storage.
9. For larger bottles and cans move the pin(C) to second position(D).

\* **UPGRADE STURDY STEEL DESIGN:** The can crusher is made of steel and it is durable. The pedal design makes recycling easy, fast and safe. The can be compressed with only your feet, saving time and effort.

\* **ENVIRONMENTALLY FRIENDLY:** The can crusher can be used for crushing cans and plastic bottles, such as can crusher, and it can compress your recycling items by more than 50%.

\* **MAKE RECYCLING EASY:** The can crusher can be used for recycling aluminum soda, beer cans. And it is applicable to standard 16-ounce aluminum cans.

\* **PRACTICAL FUNCTION:** The bottle crusher can compress plastic bottles or cans under 16oz to the minimum, which can maximize the use of the space in the recycling bin.

\* **SAFE AND RELIABLE:** The can crusher can be installed on the ground, and it is simple and convenient to use. And the can crusher features the heavy-duty design to crush the strongest of all domestic tin cans, which is easy and practical to use.

## FAQ

· Question(Q): What is the MOQ for each product?

· Answer(A): For retail, we can do any quantity for you and they will be sent by express. For wholesale, the MOQ usually is 500pcs. You can also mix different items and we can ship them to you by sea altogether. For details pls contact us by email or online chatting.

· Q: What is the lead time and shipping time?

· A: Goods usually take about 30 days to finish. It will take about 15 to 35 days on the sea from shipping port to destination

port. For South Asia and Oceania, it usually takes about 15days. For other regions, it usually takes about 25 to 35 days. The shipping time is changing with the distance and the shipping company we choose.

· Q: Can the products be made with our logo or brand?

· A: Yes, of course we can make. We are OEM supplier for years and able to customize your logo and packaging, but you need to give us the authorization and design.

· Q: What can we do if we are interested in your products?

· A: Pls send us your precious inquiry on our website or talk directly to us by trade manager. Sometimes it will be more efficient if you talk with us online. We can know each other and the products you want more clearly by talking online.

· Q: How can we place the order?

· A: after we confirm everything necessary for the order,including detailed products you want,prices,payment terms,packing ways and other details, we will draft the contract. Usually we will send to you the PI(proforma invoice) for advance payment first. Then we will arrange the production. After the goods are ready we will contact you for shipping.

· Q: How do I know the products' quality and the packing ways are the ones we required?

· A: Each product will be tested before sending out. We will send you photos of the goods for you to confirm.

· Q: How do we make the payment?

· A: We usually accept the payment by T/T, west union and other payment ways. We will confirm this when we conclude the order.

Any questions, pls feel free to contact us. We will negotiate everything well for our mutual benefit.
