Product Description

Product Description

Eco-Friendly Recycling Black Heavy Duty Metal Aluminum Wall Mounted Can Compactor Can Crusher

- * It is made of thickened steel plate and the surface color is high quality frosted black.
- * The whole strong all-steel structure makes it durable.Easy to grasp the soft plastic handle, easier to operate, will not let your hands feel uncomfortable.The interior is smooth and doesn't get stuck, making it easier for you to press the jar without much effort.Just hold the handle of the crusher and pull it down to crush a jar.
- * Very convenient installation, you can install the crusher on the wall, will not take up your space.The package is fitted with screws and expansion tubes.
- * By recycling and reducing the size of cans, valuable waste space is saved, which is good for the environment.Let's make the environment around us better together.
- * The package is equipped with 2 drill bits, which are convenient for you to drill holes and install once you receive them.The black is a twist drill - suitable for drilling wood.Gold tipped wall drill - suitable for drilling walls.

Makes the recycling process more efficient. Save space in your recycling area by crushing cans easily and quickly!

Instantly crushes all 12- and 16-ounce cans to about 1 inch, so space is saved when storing and transporting them.

Your recycling haul will be worth more money, and best of all, you'll be doing your part to help the environment.

Suitable for: garage, laundry room, storage room, basement, recycling area, school and dormitory, etc.

FAQ

· Question(Q): What is the MOQ for each product?

· Answer(A): For retail, we can do any quantity for you and they will be sent by express. For wholesale, the MOQ usually is 500pcs. You can also mix different items and we can ship them to you by sea altogether. For details pls contact us by email or online chatting.

· Q: What is the lead time and shipping time?

· A: Goods usually take about 30 days to finish. It will take about 15 to 35 days on the sea from shipping port to destination port. For South Asia and Oceania, it usually takes about 15days. For other regions, it usually takes about 25 to 35 days. The shipping time is changing with the distance and the shipping company we choose.

· Q: Can the products be made with our logo or brand?

· A: Yes, of course we can make. We are OEM supplier for years and able to customize your logo and packaging, but you need to give us the authorization and design.

· Q: What can we do if we are interested in your products?

· A: Pls send us your precious inquiry on our website or talk directly to us by trade manager. Sometimes it will be more efficient if you talk with us online. We can know each other and the products you want more clearly by talking online.

· Q: How can we place the order?

· A: after we confirm everything necessary for the order, including detailed products you want, prices, payment terms, packing ways and other details, we will draft the contract. Usually we will send to you the PI (proforma invoice) for advance payment first. Then we will arrange the production. After the goods are ready we will contact you for shipping.

· Q: How do I know the products' quality and the packing ways are the ones we required?

· A: Each product will be tested before sending out. We will send you photos of the goods for you to confirm.

· Q: How do we make the payment?

· A: We usually accept the payment by T/T, west union and other payment ways. We will confirm this when we conclude the order.

Any questions, pls feel free to contact us. We will negotiate everything well for our mutual benefit.
