Product Description

Product Description

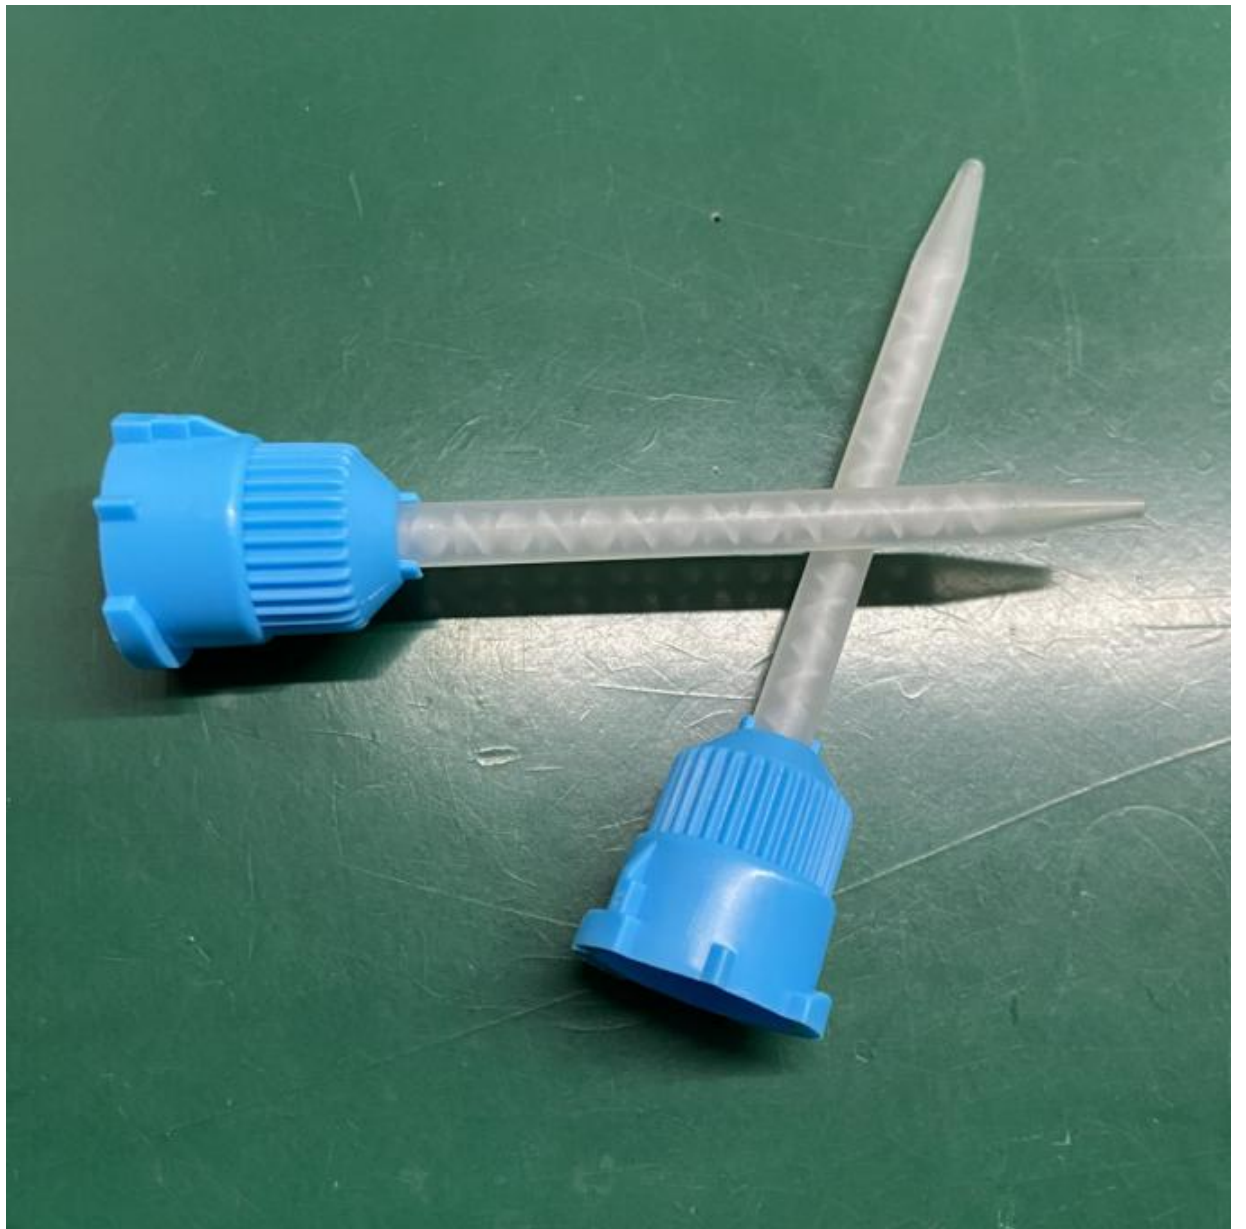

Plastic Static Cartridge Mix Tip 50ml 1:1 Resin Mixer Epoxy Mixing Nozzle

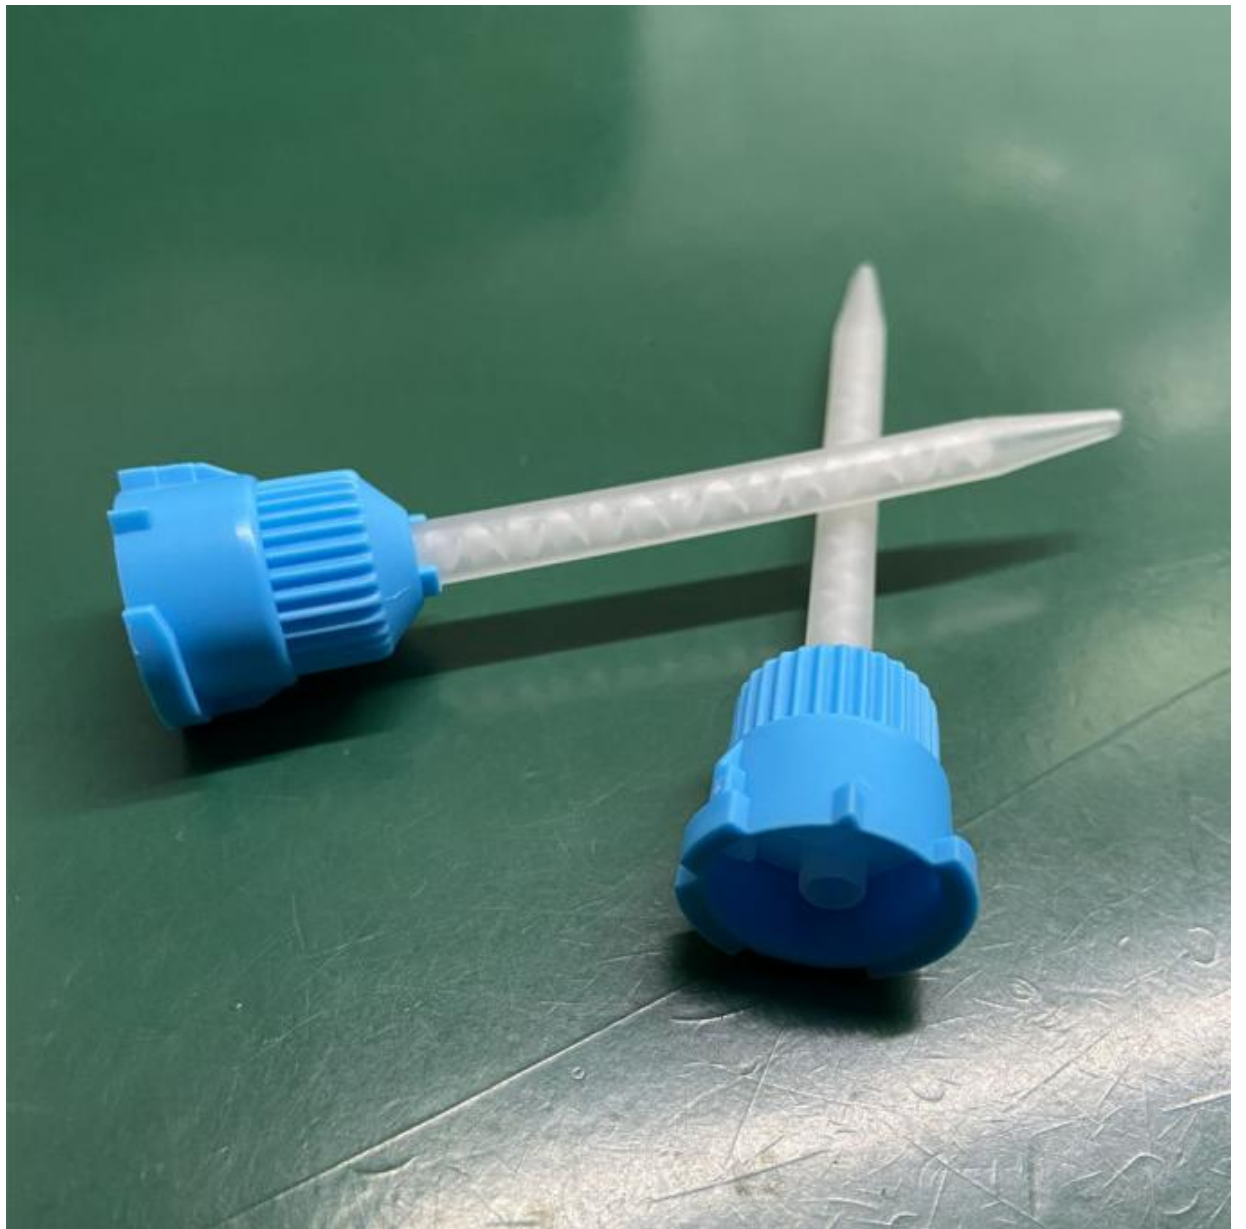

This mixing nozzle works with cartridges to provide thorough mixing and precise placement for easy, uniform application. The tapered tip can be cut to produce a precise bead size.

The nozzle minimizes adhesive waste - simply store any leftover adhesive with the used nozzle in place to provide a good seal. When you're ready, replace it with a new nozzle to continue to use the remaining adhesive in the cartridge.

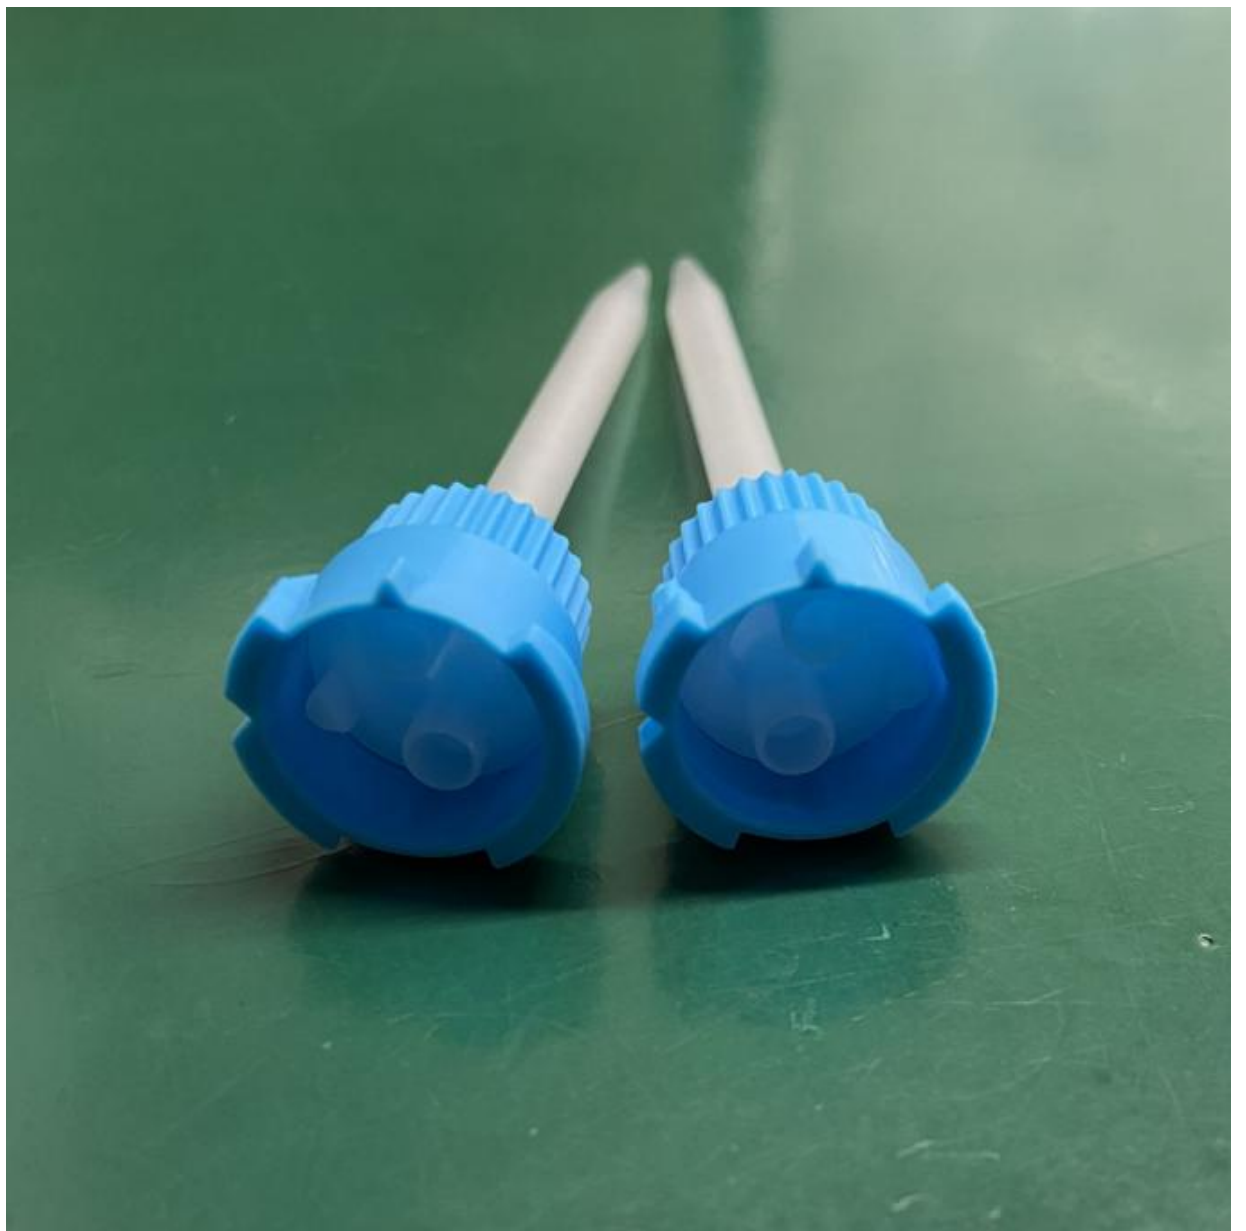

- * Mixing ratios: 1:1
- * For 50ml syringes
- * Colour: blue
- * Provides thorough mixing and precise placement of two-component structural adhesives
- * Tapered tip can be cut to control bead size
- * Used nozzle can be left on cartridge to provide a good seal until ready to continue dispensing using a new nozzle
- * spiral core effectively prevents breakage and deformation when glue liquid is mixed
- * Suitable for the Crowd:Construction workers, auto mechanic, traffic, decoration workers, glue users.

Specification	inner diameter(cm)	outer diameter(cm)	length(mm)	Section number	capacity(g)
S	3.2	4.8	76.5	16	0.59
L	3.2	4.8	75.8	16	0.63

FAQ

- Question(Q): What is the MOQ for each product?
- Answer(A): For retail, we can do any quantity for you and they will be sent by express. For wholesale, the MOQ usually is 500pcs. You can also mix different items and we can ship them to you by sea altogether. For details pls contact us by email or online chatting.
- Q: What is the lead time and shipping time?
- A: Goods usually take about 30 days to finish. It will take about 15 to 35 days on the sea from shipping port to destination port. For South Asia and Oceania, it usually takes about 15days. For other regions, it usually takes about 25 to 35 days. The shipping time is changing with the distance and the shipping company we choose.
- Q: Can the products be made with our logo or brand?
- A: Yes, of course we can make. We are OEM supplier for years and able to customize your logo and packaging, but you need to give us the authorization and design.
- Q: What can we do if we are interested in your products?
- A: Pls send us your precious inquiry on our website or talk directly to us by trade manager. Sometimes it will be more efficient if you talk with us online. We can know each other and the products you want more clearly by talking online.

- Q: How can we place the order?
 - A: after we confirm everything necessary for the order,including detailed products you want,prices,payment terms, packing ways and other details, we will draft the contract. Usually we will send to you the PI(proforma invoice) for advance payment first. Then we will arrange the production. After the goods are ready we will contact you for shipping.
 - Q: How do I know the products' quality and the packing ways are the ones we required?
 - A: Each product will be tested before sending out. We will send you photos of the goods for you to confirm.
 - Q: How do we make the payment?
 - A: We usually accept the payment by T/T, west union and other payment ways. We will confirm this when we conclude the order.
- Any questions, pls feel free to contact us. We will negotiate everything well for our mutual benefit.
