Product Description

Product Description

12 Pack Yellow Professional Grade Premium Microfiber Towels for Household/ Car Washing/ Drying/ Auto Detailing

Premium Microfiber Towels are fluffy and soft and are perfect for final-touch wiping because they are lint and scratch free.

Microfiber is the industry-standard cloth for touching and wiping cars because it is super-soft, super-absorbent, and will not scratch paint when used properly

- * Best suited for drying wet surfaces or for use with quick detail and waterless carwash products
- * Microscopic fibers in supra towels allow them to absorb upto 10 times their weight in liquid
- * 360,000 strands in every square inch of highly refined loop woven microfiber
- * No streaks, 100 percentage lint free
- * Best temperature to wash the towel is 60 degree Celsius

A heavy duty professional detailer grade extra soft silk banded microfiber towel. Detailers demand good stuff. Our new super towel is just that, super; A superior quality towel at an amazing premium price. Developed for detailers and OEM customers that simply needed a towel they could use over and over and over again that would stay nice and soft and extremely absorbent. The super towel is a microfiber towel ideal for every job from wax and sealant removal to polishing jobs and the towel is just the right weight and thickness demanded by our OEM customers. Normal & High Efficiency Machines: Separate microfiber towels by type into designated wash & dry loads. Machine wash microfiber goods with Chemical Guys Microfiber Wash and HOT water. Add 1 ounce for small was loads; 2 ounces for medium loads; or 3 or more for large wash loads Machine dry microfiber goods on LOW heat. Do NOT use fabric

softeners nor dryer sheets.

FAQ

- Question(Q): What is the MOQ for each product?
- Answer(A): For retail, we can do any quantity for you and they will be sent by express. For wholesale, the MOQ usually is 500pcs. You can also mix different items and we can ship them to you by sea altogether. For details pls contact us by email or online chatting.
- Q: What is the lead time and shipping time?
- A: Goods usually take about 30 days to finish. It will take about 15 to 35 days on the sea from shipping port to destination port. For South Asia and Oceania, it usually takes about 15days. For other regions, it usually takes about 25 to 35 days. The shipping time is changing with the distance and the shipping company we choose.

· Q: Can the products be made with our logo or brand?

· A: Yes, of course we can make. We are OEM supplier for years and able to customize your logo and packaging, but you need to give us the authorization and design.

· Q: What can we do if we are interested in your products?

· A: Pls send us your precious inquiry on our website or talk directly to us by trade manager. Sometimes it will be more efficient if you talk with us online. We can know each other and the products you want more clearly by talking online.

· Q: How can we place the order?

· A: after we confirm everything necessary for the order,including detailed products you want,prices,payment terms, packing ways and other details, we will draft the contract. Usually we will send to you the PI(proforma invoice) for advance payment first. Then we will arrange the production. After the goods are ready we will contact you for shipping.

· Q: How do I know the products' quality and the packing ways are the ones we required?

· A: Each product will be tested before sending out. We will send you photos of the goods for you to confirm.

· Q: How do we make the payment?

· A: We usually accept the payment by T/T, west union and other payment ways. We will confirm this when we conclude the order.

Any questions, pls feel free to contact us. We will negotiate everything well for our mutual benefit.
