## Product Description

### Product Description

#### 4 Inch Double Sided Adhesive Graphics Removal Tool Rubber Eraser Wheel for Drill

- \* **[Powerful Function]** - Designed to remove vinyl decals, Explosives, pinstriping, and stickers from cars, trucks, RV's, and windows; Molded rubber medium density drill attachment tool with a stop use line; For use with electric drill with maximum 4,000 RPM (best results between 1,500 and 3,000) ( Not recommend for use on Plastic or Lacquer coatings);4 inch(10cm).
- \* **[Fantastic Design]** - Larger width than solid discs makes this wheel faster, easier to control for less user fatigue, plugs up less during use, and stays cooler for longer; Will not scratch or harm acrylic enamel or urethane paint. No need for dangerous and harmful chemical. The wheel has a durable construction that withstands up to 4,000 RPM; The included drill adapter makes it compatible with any standard drill.
- \* **[Easy to Use]** - Attach the included drill adapter to your rubber wheel and a household drill to quickly remove sun baked vinyl stickers and car wrappings in seconds;Always use proper protective equipment when using power tools.
- \* **[Non-Toxic]** - Better for your health and environment, toxic chemicals and skin irritating adhesives are not required.
- \* **[Satisfaction Guarantee]** - Rubber Eraser Wheel made by factory that manufactures products for big international tool brands with guaranteed quality. If you have any problem with the Rubber Eraser Wheel you purchased from us, please feel free to contact us and our sales support team is standing by to assist you.

#### Why Choose TOOLBUDDY?

We are the original manufacturer of this Rubber Eraser Wheel.

Remove vinyl graphics, decals, and D.O.T. tape from vehicles and other surfaces, easily and quickly.

Molded of specially modulated rubber, without damaging the painted surface.

Vast Applications. Engineered to remove unwanted decals and stripes without damaging the substrate.

Outstanding Performance. Toothed design works cooler for more control and less smearing to decrease user fatigue and increase wheel life.

Easy to Use. Let the wheel do the work! Apply light pressure starting at the top of the decal and moving side to side, or for faster results, use entire width of the wheel without tilting or angling. Remove any residue with appropriate mild solvent. Always use proper protective equipment when using power tools.

#### How To Use

Step 1 - Put the Eraser Pad on your regular household drill.

Step 2 - Place the Eraser Pad on any decal, sticker, or vinyl and turn on the drill.

Step 3 - Watch as your decals and stickers quickly vanish revealing a smooth, decal free surface.

## FAQ

- Question(Q): What is the MOQ for each product?
- Answer(A): For retail, we can do any quantity for you and they will be sent by express. For wholesale, the MOQ usually is 500pcs. You can also mix different items and we can ship them to you by sea altogether. For details pls contact us by email or online chatting.
- Q: What is the lead time and shipping time?
- A: Goods usually take about 30 days to finish. It will take about 15 to 35 days on the sea from shipping port to destination port. For South Asia and Oceania, it usually takes about 15days. For other regions, it usually takes about 25 to 35 days. The shipping time is changing with the distance and the shipping company we choose.
- Q: Can the products be made with our logo or brand?
- A: Yes, of course we can make. We are OEM supplier for years and able to customize your logo and packaging, but you need to give us the authorization and design.
- Q: What can we do if we are interested in your products?
- A: Pls send us your precious inquiry on our website or talk directly to us by trade manager. Sometimes it will be more efficient if you talk with us online. We can know each other and the products you want more clearly by talking online.

- Q: How can we place the order?
- A: after we confirm everything necessary for the order,including detailed products you want,prices,payment terms, packing ways and other details, we will draft the contract. Usually we will send to you the PI(proforma invoice) for advance payment first. Then we will arrange the production. After the goods are ready we will contact you for shipping.
- Q: How do I know the products' quality and the packing ways are the ones we required?
- A: Each product will be tested before sending out. We will send you photos of the goods for you to confirm.
- Q: How do we make the payment?
- A: We usually accept the payment by T/T, west union and other payment ways. We will confirm this when we conclude the order.

Any questions, pls feel free to contact us. We will negotiate everything well for our mutual benefit.
